## VISION SERIES: WEEK 4 - (REAL CHURCH)

Catherine Booth, the founder of the Salvation Army, when speaking of her heart to share the gospel once said "I would walk on my hands and play the tamborine with my toes if it meant one more soul to be saved". What a statement. It displays the conviction of the distance both William and Catherine Booth were willing to go for the sake of the gospel. To see souls won for Christ. Where did these church pioneers get such vigour for ministry? Paul tells us in 1 Corinthians 9:22 "***I have become all things to all people, that by all means I might save some.***"

Now that's conviction! But what is Paul saying? Is he saying we are meant to be like a Chamellion? Are we to be false? Not at all. What Paul is saying is that God's grace has done such a work in Paul that he is able to become mouldable. He can become flexible. Relationally, instead of being black and white, he can relate to people in the gray. I wonder for us as a church, are we able to operate in the gray. Are we willing to be all things to all men for the sake of saving some. Can we do it? Why can't we? What roadblocks get in the way for us? These are great questions to ask ourselves. As we prepare ourselves for this Sunday, I would encourage you to read 1 Corinthians 9:19-27 and get a feel for this weekend and be praying for your own heart but also for us a church, be praying how we can be flexible for the sake of people becoming believers. See you on Sunday, Ps Rob
