MATTHEW SERIES: (THE TEMPTATION OF CHRIST)

What is it that you are tempted with. Are you the person that is tempted into a nice treat in a bakery. Are you tempted into purchasing the next ALDI middle Aisle buy that you have no use for? Or maybe it's something deeper? In this sermon we are going to delve into how Satan tempts us and attacks us, and what we can do to combat it. What we are essentially looking at is the battleground of the Christian life. Christian warfare. And whilst it might be easy to say the devil made me eat that apple turnover or buy ski clothes in sunny Queensland, what we are going to look at is that Satan works hard at unravelling us on a far deeper level. He uses the same trick on us to what he did to Jesus in the desert. And so as we look at how Jesus was tempted and overcame the devil, so too can we overcome the devil when we are tempted also. To prime the pump before Sunday a great question to ask is this... "Why am I tempted in particular areas of my life" That's worth a prayer before the weekend.

See you on Sunday,

Ps Rob
