MATTHEW SERIES: (THE BEATITUDES)

Blessed are those who are meek? What does it mean to be meek. Firstly meekness isn't weakness. It is the gentle and humble assurance of knowing that you are completely secure in Christ and it's that security which informs your outlook on life, and gives you power to overcome any difficulty you may be facing. And so there are big questions when it comes to understanding meekness. Am I secure in my faith or do I feel insecure? Or, am I restless in my faith or am I restful? Am I overcome with my problems? Do I have relational difficulty with various people. Now in order to be meek, is to become like Christ. You can't become meek in your own strength, but only through the gospel as you apply it to your life. So how do i do that you might be asking? Well the answer is actually in Matthew 11:29 where Jesus says "I am meek (gentle) and lowly in Heart" and Jesus promises us that if we come to him, we can enter his rest and become the people we are called to be. Meek. Blessed are the meek for they will inherit the earth.

See you on Sunday,
Ps Rob
